Flores-Morales et al.  
Serial No. 10/673,112  
Filed: September 26, 2003  
For: DESULPHURIZATION OF FERROUS  
MATERIALS USING GLASS CULLET

This letter is being sent to you as first named inventor in this application.

Mr. Ayala-Ortiz is not authorized to practice before the Patent Office in patent cases. Mr. Ayala-Ortiz is not registered under 37 CFR 10.6 as a patent attorney or patent agent, nor has he been granted limited recognition under 37 CFR 10.9 to represent patent applicants. Accordingly, the power of attorney to him is void ab initio.

Applicants may represent themselves or they may be represented by a registered patent attorney or agent. See 37 CFR 1.31. Applicants are advised that unless a registered patent attorney or agent is appointed to represent them, all communications will be conducted with them, and that they must sign the communications filed with the Office (unless they empower one of them to sign on behalf of all of them).
